Owner: Priyank Goyal
Doc link : tiny.cc/pg-interview-resources
I'll keep adding more resources in this doc.
(Feel free to comment if you found a good resource, I'll add it here)

Resources for System Design Interviews

1. System Design Cheatsheet · GitHub
More resources:
https://github.com/shashank88/system_design
https://www.hiredintech.com/system-design/the-system-design-process/

2. System Design Primer : By Donne Martin

3. https://www.youtube.com/watch?v=-W9F__D3oY4 : Scalability Harvard Web Development - By David Malan

4. https://www.youtube.com/watch?v=ZgdS0EUmn70 : Intro to Architecture and Systems Design Interviews

5. http://www.lecloud.net/post/7295452622/scalability-for-dummies-part-1-clones
Scalability for Dummies - Part 1: Clones - (Similarly Part 2, 3 and 4)

6. https://lethain.com/introduction-to-architecting-systems-for-scale : Introduction to architecting systems for scale
- https://www.puncsky.com/blog/2016-02-13-crack-the-system-design-interview
- https://puncsky.com/hacking-the-software-engineer-interview/?isAdmin=true

7. CDN related article -
- https://humanwhocodes.com/blog/2011/11/29/how-content-delivery-networks-cdns-work
- https://www.imperva.com/learn/performance/what-is-cdn-how-it-works (this one is pretty good)

8. https://www.geeksforgeeks.org/introduction-to-nosql
SQL vs NoSQL or MySQL vs MongoDB
https://www.geeksforgeeks.org/difference-between-sql-and-nosql

9. Overview Of Redis Architecture

Resources for Behavioral Interviews

1. Cultural Fit - BEHAVIORAL (CULTURAL FIT) - Very Very Important

2. Episode 07: Intro to Behavioural Interviews
